# AutoConcept Insurance and Veho Trucks Partner to Launch Specialized Heavy Truck Insurance

Sweden – October 2024

AutoConcept Insurance, a leading provider of automotive insurance solutions in the Nordic region, is excited to announce a strategic partnership with Veho Trucks South Sweden, a premier truck dealership, to introduce a new, specialized insurance offering tailored for heavy trucks. This collaboration aligns the strengths of both companies to provide comprehensive coverage and support for the heavy vehicle sector, which plays a crucial role in the region's transportation and logistics industries.

By combining AutoConcept's expertise in specialized insurance solutions with Veho Trucks' expansive reach and reputation in the heavy truck market, this partnership offers customers coverage for unforeseen mechanical and electrical failures, designed to keep vehicles on the road and businesses running smoothly.

**"Heavy trucks are the backbone of transportation and logistics, and their uptime is essential to the sector's success. Together with Veho Trucks, we are pleased to bring a reliable, brand-independent insurance solution to the market."**

**- Ulf Coxner, CEO of AutoConcept.**

This new offering covers a broad range of heavy truck brands—including Mercedes, Volvo, Scania, DAF, and MAN—ensuring that diverse fleets are protected. As demand for efficient transportation services continues to grow in the Nordics, AutoConcept and Veho Trucks are positioned to provide operators with enhanced security against unexpected repair costs, supporting operational efficiency across the sector.

"We are thrilled to partner with AutoConcept to launch this heavy truck insurance," said Admir Begovic, Head of Region South at Veho Trucks. "Our customers rely on dependable vehicles for their operations, and this partnership allows us to provide an extra layer of protection and con-

fidence. With AutoConcept's industry-leading insurance solutions, our clients can continue to focus on delivering high-quality services."

This collaboration marks the beginning of a long-term commitment from both AutoConcept and Veho Trucks to the heavy truck sector in the Nordic region, where they will continue to innovate and support the profitability and sustainability of the transportation industry.
